Of particular interest, in view of the that an absolute prohibition be put upon 26, 1915: practice of overdrafts, is the mount accredited as a resource under the head of overdrafts. On December 2 the total amount of overdrafts was \$45,788,224.76. he greatest amount tied up in over-

drafts, however, was shown on the March call, when the tem was allowed. S.S. Mr. Williams contention was that this vastly large sum should be drawing interest for the banks instead of being tied up as an unremunerative accommodation for the banking public.
